

Oasis Football for Life

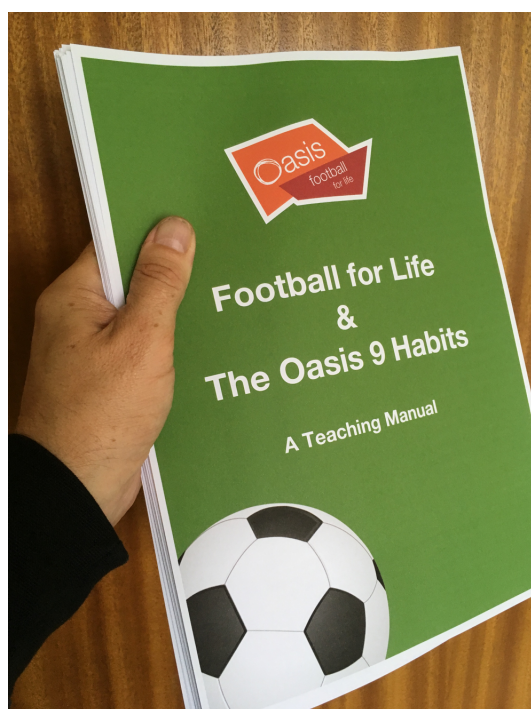

July 2019

New Character Development Resource!

A new Football for Life resource has been produced to help support the positive character development of those in Oasis football programmes.

The 147 page manual contains football drills, life skills lessons and stories to help children and young people understand, embrace and express the Oasis 9 Habits.

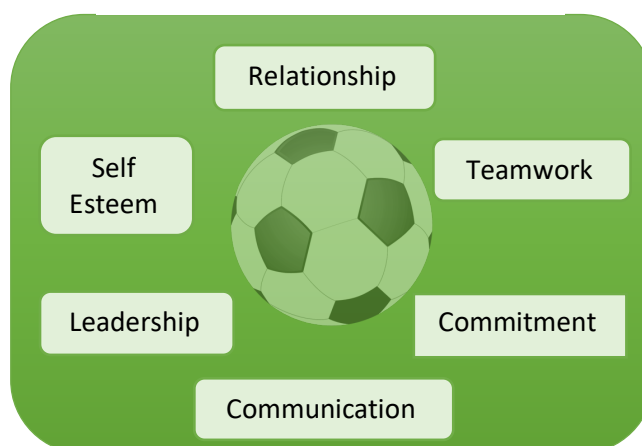

The Oasis 9 Habits is a key part of the Oasis ethos and approach to personal and communal transformation, and this manual will play a key part in helping to deliver this through Oasis Football for Life projects across the world.

The Oasis 9 Habits

Compassionate	Patient	Humble
Joyful	Honest	Hopeful
Considerate	Forgiving	Self-controlled

Life Skills

Congratulations to the Oasis Lionhearts!

Congratulations to the Oasis Lionhearts of Yardley, Birmingham, who finished runners up in the Junior League despite only playing since January this year.

The Lionhearts Under 16s team also finished second in the Elite Community League. Great efforts from both Lionhearts teams who have also received and implemented valuable life skills lessons in knife crime, country lines, and gang activity.

The Lionhearts also organised and took part in a tournament as part of the Mayors Community Weekend. 160 young people were involved in a great event that brought the whole community together.

Congratulations to the Oasis Lionhearts Team A who won the junior tournament and Team B who came third.

Amazing Response of Football for Life in Mozambique

Following the devastating cyclones and floods that recently hit Mozambique, members of the Football for Life programme sprang into action to help those most affected.

The 26 young leaders met after the first cyclone, and decided to use Football for Life as a platform to bring hope to those in their communities and the camps.

They helped to identify and support 33 injured people to be rushed to local clinics, and also helped in the construction of new houses for those most impacted by the disaster. In particular, they rebuilt homes for 2 elderly women who had no other means of support.

The young people challenged Oasis as a whole to be involved in building shelters for the most vulnerable, and funds were raised to purchase iron sheets for roofing 52 houses.

The team also ran psychosocial support sessions in 7 camps.

Amazing acts of compassion from the FFL team and Oasis Mozambique staff and volunteers.
