

Dear all,  
Season's Greetings to you and your family!

## From Our Executive Director

*Dear Partners & Supporters,*

*Greetings from Oasis India!*

I would like to wish you and your family a Merry Christmas and A Happy New Year!  
As we step into 2022, we thank you for what you have helped us accomplish this past year.

Oasis India has accomplished 27 successful years of empowering women and children in India. I would like to take this opportunity to thank you for the wonderful support and partnership that we have shared over the years. Even though we faced a great global distress in the past years, we have come out stronger.

My sincere appreciation to the Board (Committee of Management) for their guidance and a special thank you to our funding partners. We are very grateful to our institutional donors, Mukthi Bike Challenge network & riders, volunteers, sponsors, donors, 500 club donors, community partners and everyone who has continued to support our work through donations, volunteering and professional services. You all make us who we are and we will never lose sight of that. Our teams in the field who work directly with the beneficiaries have gone above and beyond their call of duty in 2021 and have left me so deeply humbled by their self-sacrificing efforts and commitment.

You will be delighted to know that in 2021, we have received our Platinum certification from GuideStar India for one year. That makes Oasis India one of the selected 100 non-profits attaining the highest Transparency and Quality Standards. We are on track, making all necessary arrangements for our FCRA renewal. We have also received 12AB and 80G renewal for the year. Our biggest accomplishment this year has been the successful launch of our new hub at North East in Churachandpur, Manipur to help families in alternative skill training and holistic development of children, leading to a developed and socially conscious community. Mukthi Bike Challenge 2021 was nothing short of amazing and the different editions in the various cities and countries helped us to get the word out about human trafficking to people around the globe.

Thank you all for supporting the work of Oasis India and helping us make a difference in our communities. Your dedication is what inspires each and every one

of us. This season, I wish you all the best and success in life as we head towards 2022! Be blessed.

*With Regards,*

*Mangneo Lhungdim*

*Executive Director*

*Oasis India*

## Mukthi Bike Challenge 2021

We have successfully completed our India edition of Mukthi Bike Challenge 2021! Kudos to all the riders, staff, interns and change agents who were part of this big journey to #MakeTraffickingHistory. Our fight against trafficking is not over yet, but we are moving a step closer by creating awareness about trafficking to as many people as possible.

We also held an online closing event for all the riders from UK, Manipur, Chennai, Bangalore and Mumbai on 1st December 2021 where riders and our staff shared their experience in MBC 2021. Watch the MBC Journey of 5 years and MBC 2021 Highlights in the links below.

**MBC 2021 Highlights**

**5 Years of MBC**

As part of Mukthi Bike Challenge 2021, a group of 25 riders from a group called Retro Riders, left for Kolli Hills from Chennai. At Kolli Hills, the team visited the Bridge Mission India's boys' hostel and also met with some children from an organisation. They shared about child abuse, introduced child helplines and gave some goodies to all the kids. They distributed flyers on human trafficking and childline posters too. Here's a small vlog that one of the riders put together of their experience.

## 25 Years of Rehabilitating Women

Nirmal Bhavan is a residential rehabilitation facility for girls and women who have left the red light area (RLA) voluntarily as well as for girls and women living in “at risk” situation in the community. They have nowhere to go and a facility such as this provides safety and hope. This project is an extension of the outreach project in Grant road RLA which was started in 1998. This year, we celebrate 20 years of Nirmal Bhavan providing after-care and rehabilitation for women and young girls in need. This video is a thank you note for all of you, from us.

---

## Official Launch Of NE Project

We officially launched Oasis India's North East Project at Songpi Village in Churachandpur, Manipur on 6th December 2021. Village Chiefs, Village Authorities, Project's beneficiaries, Student Organisations, Government Officials, Civil Society Organisations and the local press joined us for this auspicious event.

Our Executive Director, Mangneo Lungdim, delivered the key note address, highlighting the work of Oasis India, the needs and importance of a Project in Churachandpur district and addressed anti-human trafficking work in North East

India. Sulekha Thapa, our Head of Programs addressed the gathering and spoke about Oasis India's history and its work across India. We were also joined by Mr. Sundeep, Honorary Treasurer of Oasis India's Committee of Management who gave an inspiring talk on Sustenance.

Rev. Dino L. Touthang launched and dedicated the project "Recovering Livelihood, Restoring Environment, and Fostering Holistic Development". We are excited for 2022 to continue our growth in the North East.

## All Set For The Next Year

### Chennai, India

As part of Asian Aid's #BackToSchool initiative, we were able to provide school kits for children in our after-school programme from all the hubs in Chennai. 120 children received school kits and 285 women and children received blankets as part of the COVID-19 relief work.

## Bangalore, India

In Bangalore, children in the after-school programme received school bags and kits to get ready to go #BackToSchool. Tailoring students were provided dress materials as part of COVID Care Relief to help with receiving extra income in their small business initiatives. Youth received bags as part of the relief and development programme.

Thank you Asian Aid!

## Humanitarian Relief in Manipur

We provided humanitarian relief for families living in and around the villages in Moreh, Manipur in North East (Indo-Myanmar Border). The kit contained dry ration with rice, dal and a blanket. This was provided to 100 needy families who are internally displaced and are greatly affected by Covid-19.

# AHT IN MUMBAI

In Kalwa, Mumbai, our staff organised an anti-human trafficking awareness programme with 200 auto rickshaw drivers at the Kalwa Railway Station. After the session, the team spoke to auto-rickshaw drivers and provided them with flyers and stickers on human trafficking that they can stick in their rickshaws which customers can read enroute!

# SEE YOU IN 2022!

Merry  
Christmas  
& A HAPPY NEW YEAR

THANK YOU FOR YOUR CONTINUED SUPPORT TO OASIS INDIA
