# Dear Supporters,

The rising communal riots in Manipur, Northeast has resulted in the torching of more than 30 houses in Imphal the capital of Manipur, about 50 villages, ransacking and torching of more than 40 organisations in Imphal valley and the adjourning villages, with around 10 persons reported dead and many more injured. The death toll only seems to be rising with time and the unrest has led to the Government issuing Article 355, imposition of curfew in the entire state, suspension of internet.

The people are facing severe food supply shortage, hospital supplies and services shortage, the affected community people are fleeing to nearby cities like Guwahati, Delhi, Kolkata, and other places for refuge. This also makes them highly vulnerable to human trafficking.

Our staff in Manipur are marked safe and our community hub has been closed since the riots. We are putting together a quick emergency response to aid those affected and in dire need.
