

Showing some love

& gratitude

INCLUSION . E-NEWSLETTER . FEBRUARY 2023

Dear Supporter,

On this Valentine's Day, we want to send some love your way for all your support! Our beneficiaries from different cities and programmes wrote special thank-you cards for you. Your monthly contribution and support helps women and children across India to live dignified, meaningful lives. So here's a little thank you from them and from the Oasis India family.

Women who are part of our programmes in Kamathipura, Mumbai, thank you for your support. Read the translation of their cards below.

From left to right

Beneficiary 1: "Thanks for supporting us."

Beneficiary 2: "I have fulfilled my dreams because of your support."

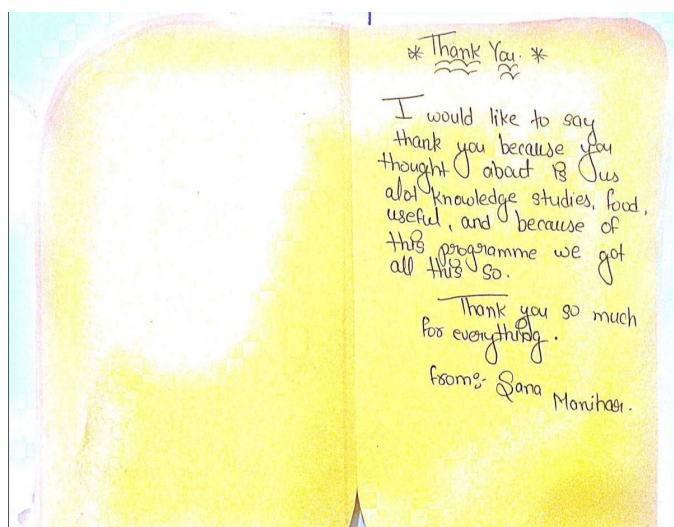

Beneficiary 3: "Because of your support, we learned to read, and now we can read easily."

Beneficiary 4: "Thank you for helping us learn tailoring."

"Since becoming a part of Oasis India's programme, my lifestyle and the financial status of my family have improved a lot. Oasis India's team provided me with a variety of seeds, including cash crops, which I am now able to grow in my field. This has greatly increased my family's income. The total income from the cash crop is more than Rs. 3,000, with which I have bought more seeds and am able to take good care of my family. Thank you for helping improve our lives!" ~ *Mr. Soikhomang, Manipur*

Sana is part of our after-school programme in Nalasopara, Mumbai. She has written a sweet note, thanking you for thinking about her and her needs.

"I am Poorvika, and I study in the 5th grade. At Oasis, I am really happy to be a part of the after-school programme where I learn abacus, rubik's cube, and craft work. I also receive help in learning Hindi and Math. I used to find Hindi very difficult, but after regular coaching, it has become easy. Thank you for helping me."
