

As we usher in the New Year with hope and determination, January unfolds with a series of significant events that align seamlessly with our commitment to creating a better India for women and children.

The month is marked by National Human Trafficking Awareness Day, a poignant reminder of the challenges we face in protecting the vulnerable.

Additionally, we celebrate National Girl Child Day, emphasizing our dedication to empowering young girls and ensuring their rights and opportunities. Education takes centre stage on the International Day of Education, resonating with our mission to equip the youth with knowledge and skills for a brighter future.

Finally, as we stand together on Republic Day, let us reaffirm our pledge to build a nation where every woman and child thrives. Join us in reflecting on these crucial moments and in taking collective strides towards a more inclusive and secure society.

A SPOTLIGHT ON THE MONTH'S TOP MOMENTS

On National Human Trafficking Awareness Day (11 January), Oasis India took a dynamic stand across all our projects locations, standing up for change and enlightenment.

From the bustling cities like Mumbai & Bangalore to the serene corners of Manipur, we left no stone unturned in our mission to make India better for women and children.

INSIGHTFUL SESSIONS ACROSS OASIS INDIA PROJECTS

From ASP centers to tailoring centers, hair projects, schools, and night shelters, we conducted sessions that delved deep into the realities of human

trafficking. Communities gathered, shared thoughts, asked questions, and united against exploitation. Knowledge was not just spoken about; it was shared, learned, and embraced.

EDUCATION AND AWARENESS PROGRAM IN BANGALORE

At St. Thereza Degree College in Bangalore, we engaged with around 300 students and parents, shedding light on the menace of trafficking and abuse. Education is our weapon, and with knowledge, we empower communities to protect themselves and stand against the dark forces of exploitation.

A MOTORCYCLE RIDE FOR FREEDOM IN PALCHAR, MUMAI

Our warriors hit the road, a motorcycle convoy covering 150 km from Nalasopara to Palghar. A total of 14 passionate riders, joined by local partners like The Movement, Free Movement, Sahara Sangati, and Mumbai Smiles, joined to raise awareness against human trafficking.

KALWA COMMUNITY UNITES AGAINST TRAFFICKING

Kalwa Project and the District Legal Service Authority collaborated for a crucial session. 75 women and 50 young minds came together to discuss about the issue of human trafficking. Discussions ranged from recognizing signs to

staying safe, emphasizing the collective responsibility we hold in stopping exploitation.

Across India, Oasis India is making strides to create a nation where women and children thrive, free from the clutches of trafficking.

On National Human Trafficking Awareness Day, we didn't just talk about the issue; we learned, shared, and stood together against human trafficking. Join us in the fight for a brighter, safer future for all.

In a remarkable display of dedication and purpose, on January 21, 2024, our champions Sulekha and Naren laced up their running shoes and enthusiastically joined nearly 60,000 runners at the Tata Mumbai Marathon, proudly representing Oasis India.

Running with Purpose: A Stride Towards Change

Their participation went beyond merely crossing the finish line; Sulekha and Naren ran with a clear purpose—to raise awareness about the urgent issue of human trafficking. Each stride they took symbolized a step towards making India a safer and better place for women and children.

Every Step Counts

Recognizing the gravity of the cause, every step they took echoed the collective commitment to building a society where every individual can flourish without fear. The funds they raised during this endeavor will directly contribute to Oasis India's ongoing efforts.

Beyond the Race

Beyond the race track, our collective efforts transcend the marathon itself. Together, we are not just running a race; we are running towards a brighter, safer, and more equal future for all. Sulekha and Naren's dedication and passion exemplify the change we strive to see in the world. And we are so proud for both of them for being the change-makers we need.

This National Girl Child Day, Oasis India has ignited the spark of change across our projects!

In Chennai, at Don Bosco Anbu Illam Trust (Girl Children), our awareness session unfolded through vibrant street plays and soul-stirring parai performances by our dedicated interns, resonating with the heartbeat of girl child rights.

Besides exciting games, as a gesture of care, 40 lovely girls received hygiene kits to ensure their well-being and happiness.

Meanwhile, in Bangalore, parents delved into enlightening sessions on child rights and the paramount importance of education. Every child, irrespective of gender, deserves equal rights and opportunities!

Not to forget our talented tailoring students and the vibrant Janatha Colony AHT club children who stood in solidarity, observing National Girl Child Day with enthusiasm and purpose.

At Oasis India, we're weaving a tapestry of empowerment and education for a brighter tomorrow.

We are proud to support girls in diverse fields, including sports, computer education, tailoring, baking, football, counselling, and more. Through these avenues, we strive to nurture their talents and equip them with the skills needed to conquer their dreams.

Join us in supporting the strength, resilience, and limitless potential of every girl child. Together, let's create a world where girls thrive and shine!

International DAY OF EDUCATION

On International Day of Education, Oasis India proudly reaffirms its dedication to providing quality education and holistic development opportunities for women and children across the nation.

After-School Programs Across Cities

At Oasis India, our After-School Programs (ASPs) are making a significant impact in cities such as Mumbai, Bangalore, Chennai, Guwahati, and Manipur. These programs go beyond academics, aiming to enrich the lives of underprivileged children who may not have access to expensive tuitions and specialized training.

Empowering Through Vocational Education

In addition to academic support, Oasis India believes in empowering the future workforce through vocational education and skills training. Our diverse range of courses includes computer training, tailoring, hairdressing, beauty care, baking, and sports such as football and cricket. Furthermore, we are proud to offer self-defence education for girls, fostering a sense of empowerment and resilience.

Projects Across Cities, Slums, and Villages

Our initiatives extend across cities, slums, and villages, reaching out to those who need it the most. Through these projects, we aim to break barriers and provide opportunities for growth, irrespective of socio-economic backgrounds.

Reaping the Harvest: Transforming Communities

The fruits of our collective efforts are evident as we witness the transformation of communities and the positive change in the lives of children. The stories of success and progress are both heart-warming and motivating, fuelling our commitment to continue making a lasting impact.

Republic Day - India

On 26th January, Oasis India celebrated the spirit of Republic Day across our projects, echoing the values that bind us as a nation.

Our team in Bangalore had the privilege of being a special guest at the Republic Day celebrations held at HGH Government High School, Bangalore.

We were honored to participate in this momentous occasion dedicated to our great nation and its future leaders. The day kicked off with the inspiring sight of the tricolor being hoisted high, symbolizing the unity, diversity, and strength of our incredible nation.

Our team had the opportunity to address the bright and enthusiastic school students, encouraging them to embrace their roles as responsible citizens of India. Cultural events filled the air with joy and patriotic fervor, showcasing the rich tapestry of our nation's heritage.

Oasis India believes in creating a better India for every community, every women and children, and events like these reinforce our commitment to nurturing young minds and empowering communities.

Besides being honored guests at HGH Government High School, Bangalore, our projects were buzzing with exciting activities.

Activity 1: Candle-Making Workshop

In the spirit of Republic Day, we hosted a candle-making workshop, themed "Being the Light." Participants learned not just the art of candle-making but also the importance of being the right citizen, guiding others towards the light.

Activity 2: Voter ID Drive

We're thrilled to share that our team successfully registered 75 members for the Voter ID card and corrected their details.

Football For Life (FFL)

Dreams Are Alive

Despite the hurdles posed by current circumstances in Manipur, our boys from Oasis India FFL exhibited remarkable resilience and unwavering passion on the football field. In a recent friendly match, they not only showcased their skills but also demonstrated that dreams can thrive even in the midst of adversity.

Proving Dreams Are Alive:

The friendly match was a testament to the indomitable spirit of our young athletes. Their dedication to the sport and commitment to overcoming obstacles stood out as they played with fervor and determination. This event is a reminder that, with support and encouragement, dreams can indeed flourish in challenging times.

Chennai, the capital of Tamil Nadu, has recently faced the devastating impact of Cyclone Michaung, resulting in widespread flooding, displacement, and distress among the local population. The cyclone has left many families stranded, homes submerged, and communities in need of urgent assistance. The less privileged communities are particularly vulnerable and are struggling to survive. Families are trapped inside their homes, unable to access essentials such as food, clean water, and hygiene products. The aftermath of the cyclone has left many without personal belongings, and the unhygienic conditions pose a potential risk of epidemic outbreaks.

Break the chains. Connect with Hope
