

Dear Oasis Family,

What a month it's been!

From schools in Chennai to villages in Meghalaya, from Bengaluru to Churachandpur — we all stood united to shout **“NO to Human Trafficking!”** There were pledges, rallies, awareness sessions, and some incredible stories of courage and change. Scroll down to catch all the action in pictures and stories that will inspire you!

## A SPOTLIGHT ON THE MONTH'S TOP MOMENTS

### Say "NO" To Human Trafficking

On 30th July, we observed World Day Against Trafficking in Persons. Our projects across different cities and villages came together to mark the day with powerful events and sessions, joined by schools, families, and community members. Here are some pictures and highlights from the day—see it for yourself!

### Nalasopara

Our Nalasopara team joined hands with Holy Mary School in Bilalpada to mark #WorldDayAgainstTrafficking in Persons.

81 students from Classes 8 to 10 came together to learn about human trafficking, how it harms people and our community, and what we can do to stop it. The group discussions were amazing—we shared ideas on how to speak up and protect those who can't.

We also held an important session on POCSO (Protection of Children from Sexual Offences) with 38 young people from the community. Thanks to Mr. Nayan Mali and the team for leading this! Together, they took a pledge to keep children safe and to be guardians of their neighbourhoods.

### Churachandpur

In Churachandpur, we came together for a powerful event filled with learning, networking, and action in Churachandpur.

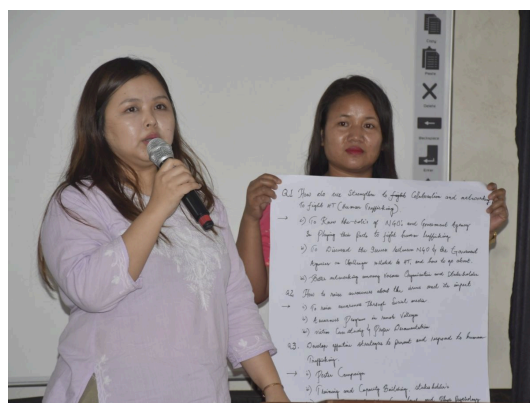

48 participants

17 men | 31 women

6 NGOs, 6 schools, 3 CSOs, 3 student groups, 2 govt agencies – all in one room!

The day was packed with:

- Awareness sessions on the many forms of trafficking
- Group discussions on how to work better "together"
- Action plans to raise awareness, prevent trafficking, and respond faster
- A powerful pledge session where everyone committed to take a stand!

### Chennai

On World Day Against Trafficking in Persons (30th July), our team at Oasis India hit the ground running in Chennai—chatting with students, connecting with communities, and raising much-needed awareness.

St. Joseph's High School, Nungambakkam – 200 super energetic students

Little Lambs School Surapet – 80 curious young minds

Sudhanthira Nagar – 52 amazing women and youth

We also joined the human chain and AHT Club launch at Mar Gregorios College—thanks to the Indian Community Welfare Organisation (ICWO) India for bringing us all together!

Big shoutout to Mr. Hariharan ICWO for recognizing our work and cheering us on.

### Bengaluru

In Bengaluru, we had an awesome awareness session at BBMP Govt Composite College, Azad Nagar – Bengaluru

Over 150 students from different streams (HEBA, PCMB, PCMC & HEPS) showed up – with 96 girls and 57 boys in the crowd. Even a few staff members joined in too!

We had some real conversations about human trafficking – what it looks like, how it affects people, and how young people like YOU can be part of the solution.

Together, we're spreading awareness and standing up for what's right

### Meghalaya

In Timbokgre and Chibra, Meghalaya, we talked about the issue of Human Trafficking in India, and why this day matters, and how it all began. The students shared their thoughts through powerful drawings and words — and honestly, they amazed us! A group of 24 students, with big hearts and bold ideas.

**Let's Talk Periods – No Shame, Just Facts!**

45 amazing women from our Aruna DIC project came together for an open and honest session on menstrual health, led by the Rotaract Club of Northern Suburban.

From hygiene tips to clearing common myths, it was a safe space where women felt free to ask questions and share openly. Everyone went home with free sanitary pads and new confidence! Big thanks to the Rotaract team for making this possible. More sessions like this coming soon!

Meet Lhingneineng from Tuinom — she went from an ordinary village girl to a tailoring pro! She joined our Oasis India Tailoring Training (yep, first-ever batch!) and nailed it — from stitching to designing! Now, she's earning well and supporting her family.

These are some amazing women's tops she just designed recently— don't they look super beautiful & professional!

Her dream? To start her own business and empower more women in her village.

We love seeing women rise!

## Dreaming Bigger and Aiming Higher

Watch this video to see how these kids are dreaming bigger and aiming higher in Churachandpur! Through Oasis India's After School Program (ASP), we're seeing young lives transformed — especially children and youth from underprivileged backgrounds — giving them hope and opportunities through education.
