

Dear Oasis Family

As we reflect on April 2026, we are grateful to share stories of courage, growth, and transformation from across the communities we serve. This month, we celebrate young leaders stepping into responsibility, girls breaking barriers through sport, women creating new opportunities through entrepreneurship, students achieving academic milestones, and communities coming together to care for the environment.

Each story in this edition is a reminder that lasting change begins when people are given the opportunity to learn, lead, and thrive. Thank you for being part of this journey as we continue making India better for women and children.

Explore the stories in this newsletter and see firsthand how lives are being transformed through education, empowerment, leadership development, and community engagement. Behind every achievement is a story of resilience, hope, and opportunity—and together, these stories reflect the impact that is possible when communities are supported to reach their full potential.

A SPOTLIGHT ON THE MONTH'S TOP MOMENTS

FROM THE SIDELINES TO THE SQUAD!

FROM A SMALL VILLAGE TO THE DISTRICT U-13 SQUAD

ONE GIRL. ONE DREAM. LIMITLESS POSSIBILITIES

- Selected for District U-13 Academy League
- One of only two girls in the squad
- Competing alongside boys in district tournaments

HATBOITHEM, MANIPUR

Football For Life (FFL)
Empowering girls through sport, confidence, and opportunity.

"Since joining FFL, I feel healthier, stronger, and more confident"

At just 13 years old, Hatboithem dared to dream beyond the expectations placed on girls in her village.

Football was her passion, but financial challenges at home made that dream seem out of reach. Everything changed when she joined Oasis India's Football For Life (FFL) programme.

With access to training, encouragement, and opportunity, Hatboithem's confidence and skills began to flourish. Today, she is one of only two girls selected for the district Under-13 Academy League squad, competing alongside boys from football academies across the district. Remarkably, Oasis India's FFL team is the only team in the league with girl players.

The transformation goes beyond football. Through FFL, Hatboithem has developed healthy habits, discipline, and a stronger sense of self. She now wakes up early, follows a daily routine, and understands the importance of fitness and perseverance.

Supported by parents who believe in her dreams, Hatboithem is proving that when girls are given a chance, they can break barriers, challenge stereotypes, and inspire an entire community.

CELEBRATING WORLD EARTH DAY

On 22nd April 2026, our students at Oasis Academy enthusiastically observed World Earth Day through a range of engaging activities designed to promote environmental awareness and responsibility. The day featured a special assembly, slogan march, cleanliness drives, and tree-planting initiatives, encouraging students to reflect on their role in caring for the planet.

Through these hands-on activities, students gained a deeper understanding of environmental stewardship and the importance of adopting sustainable practices in their daily lives. The celebration served as a powerful reminder that even small actions can make a meaningful difference in creating a cleaner, greener, and more sustainable future for all.

COMPUTER STUDENTS GRADUATION - CHURACHANDPUR

8 students from our Computer Training Centre in Churachandpur, Manipur have successfully completed their Certificate in Computer Application (CCA).

INVESTITURE CEREMONY & BIHU CELEBRATION

Oasis Academy proudly marked the beginning of the 2026–27 academic year with its Investiture Ceremony and Bihu Celebration, a memorable event that brought together leadership, culture, and community spirit.

We were honoured to welcome our Chief Guest, Mrs. Moni Devi Nath, President of Rani Panchayat, along with other distinguished guests who graced the occasion. During the ceremony, our newly elected student leaders took their oath, committing themselves to serve with integrity, responsibility, and dedication.

A special highlight of the celebration was the traditional exchange of gamocha, a cherished Assamese symbol of respect, honour, and unity. This meaningful gesture reflected the warmth and togetherness that define the Oasis Academy family.

The day was a joyful celebration of leadership, cultural heritage, and the values that continue to shape our school community.

HOW RURAL WOMEN IN MANIPUR BECAME ENTREPRENEURS

In the villages of Teising, Tuinom, and Songpi in Manipur, women are building brighter futures through determination, entrepreneurship, and community support. With the support of Oasis India, women have established micro-enterprises that are helping them generate income, strengthen their families' livelihoods, and create greater financial security.

Through training, mentorship, and encouragement, these women are gaining confidence and discovering new opportunities to lead change within their communities. Their journeys demonstrate the powerful impact of women's economic empowerment and the ripple effect it creates for families and future generations.
