

Hello Oasis Family,

As we look back on May, we're encouraged by the many moments that reminded us why our work matters. Across different communities, children were inspired to dream bigger, young people gained new skills and confidence, and families came together to learn how to build safer and stronger communities.

From students stepping into a corporate office for the very first time to community members learning how to protect women and children from human trafficking, each story reflects the power of opportunity, awareness, and support. These may seem like small moments, but together they are helping create lasting change.

We invite you to take a few minutes to explore this month's stories and see the impact being made through your partnership and support. Behind every activity is a child discovering new possibilities, a young person growing in confidence, or a community taking steps toward a brighter future.

A SPOTLIGHT ON THE MONTH'S TOP MOMENTS

BIG DREAMS START WITH SMALL OPPORTUNITIES

Amazon campus for their very first corporate office experience through a special Vision Boarding Event hosted in partnership with ConnectFor and Amazon volunteers.

From receiving visitor badges to exploring a world-class workplace, every moment sparked curiosity, confidence, and inspiration. Through interactive activities, mentorship sessions, and creative vision boards, students reflected on their dreams, explored future career possibilities, and learned the value of setting goals.

For many, it was the first time imagining themselves in spaces like these—and the experience showed them that their dreams are within reach.

A huge thank you to **Amazon India** and **ConnectFor** for investing in young minds and helping shape the leaders of tomorrow.

HUMAN TRAFFICKING AWARENESS

Awareness can save lives.

Last week, at Mairapur Community Hall, Meghalaya, we conducted a Human Trafficking Prevention Awareness Program focused on protecting women and children, understanding the dangers of trafficking, and empowering the community with knowledge and preventive actions.

We had a very engaging conversation with the community about human trafficking — how to identify risks, stay alert, and protect women and children from exploitation.

Because safety begins when people know, speak up, and look out for one another. A stronger community is a safer community.

EQUIPPING COMMUNITIES TO FIGHT AGAINST HUMAN TRAFFICKING

At Hosanna Youth Fellowship, Dharavi, with the initiative of Oasis India, a community came together to learn, engage, and stand against human trafficking.

Through meaningful discussions about its dangers, prevention, and the role each person plays in protecting communities, participants actively engaged in the conversation and demonstrated their commitment to building a safer future.

LIFE SKILL SESSION ON PHYSICAL FITNESS

Blue Edge Mumbai, in collaboration with Education's Sports Week 2020, brought students together at Bhuigaon Beach for an energetic Life Skill Session on Physical Fitness. Around 40 students stepped out of the classroom and onto the sand for running, fitness activities, and a day filled with teamwork, discipline, and sportsmanship.

The day ended with smiles, certificates, medals, and well-deserved snacks — celebrating every effort and every achievement.

Building healthy habits while creating unforgettable memories!

LIFE SKILLS SESSION AT KAMATHIPURA

18 Change Agents from Kamathipura took part in a Life Skills session on “Developing a Growth Perspective,” learning to embrace challenges, build resilience, and nurture a positive mindset.

The learning continued with a hands-on Jewellery Making training, where participants discovered

how simple resources can be transformed into beautiful creations and livelihood opportunities.

A day filled with learning, creativity, and steps toward a brighter future!

BECAUSE EVERY CHILD'S DREAM MATTERS

Dreams got color, shape, and purpose

Last month, 22 young change-makers from Oasis India's Chennai region came together at Amazon, Taramani, for a powerful Vision Boarding Session hosted by **ConnectFor**.

Through art, creativity, and conversations, the children explored their dreams, discovered their strengths, and mapped out the future they want to build — from education and careers to kindness, courage, and making a difference in society.

It was more than just crafting boards — it was about building confidence, self-belief, and hope for tomorrow.

A heartfelt thank you to the volunteers and mentors who walked alongside these children, helping them dream bigger and believe deeper.

Because every child's dream matters — and every dream deserves a chance to grow.

To the women who carry love, courage, and hope—

Mother's
DAY
